## **Harrah's Entertainment Chooses AerisGuard™ HVAC Performance Solutions**

Aeris Atlantic LLC (majority owned subsidiary of Aeris Environmental Ltd) has been awarded a service contract with Harrah's Entertainment in the USA for application of the Company's AerisGuard Air-Conditioning Performance Solution.

The 12 month contract is with a Harrah's casino in Atlantic City and was awarded after successful trials of the AerisGuard technology which demonstrated significant improvements in airflow and overall system efficiency.

Harrah's is the world's largest provider of branded casino entertainment and has 48 casinos worldwide, 35 of which are based in USA. The casino in Atlantic City is the 2<sup>nd</sup> largest of Harrah's facilities worldwide.

The total contract is planned to generate revenues in excess of US\$200,000 to Aeris Atlantic over the next 12 months.

Aeris Environmental is now seeking to expand the application of AerisGuard throughout the Harrah's network.

Huw Jones  
Chief Executive Officer

### **About Aeris Environmental**

Aeris Environmental Ltd is an environmental services company focusing on the international environmental hygiene and system performance market. The Company has three core patented technologies centered on multi-enzyme biofilm removal

solutions, residual anti-microbial coatings and corrosion protection coatings. Aeris has developed products for application in the air-conditioning and refrigeration service and manufacturing industries together with the large water treatment market.

The AerisGuard Performance Solutions clean and protect air-conditioning and refrigeration systems from commonly occurring bacterial and mould contamination problems. Systems protected by AerisGuard provide significant equipment efficiency, energy reduction, human health and asset management benefits.
